Alhamdulillah, I am a Hafiz-e-Quran and an Aalim. I have served as an Imam in a local mosque and have delivered Friday sermons and Eid prayers. I also have experience teaching Quran, Tajweed and Islamic Studies in a Madrasa.

Along with religious education, I have completed a Computer Course from Idara-tul-Uloom-ul-Asriyah. I am proficient in MS Word, MS Excel, online applications and have basic knowledge of Accounting. I have also completed an English Language Course and can do Graphic Designing on Canva. I wish to serve the institution with both religious and modern skills.
